CUVÉE LOLA LIMITED BOTTLING
WILLAMETTE VALLEY PINOT NOIR

ALCOHOL: 13.25% PH: 3.57

THESIS: A precise line

A STORY: In years of age this wine is six, my daughter Lola is now twelve, the winery nearly double that and I am yet a proud multiple of all, plus a few more.

THE CLIFF NOTES: Translucent apple-skin red is the color. The nose is warm, deep musk and enveloping spiced cherry. The palate is deep red-blue fruits, but its real beauty is in its supple texture: linear, taught, enduring, nothing out-of-place. It's more World Cup skier, more Mikaela Shiffrin, and less Tik-Tok celebrity.

THE BUILDING OF: These were our two highest graded barrels in the cellar from 2015. They were wild-yeast fermented in stainless steel, 100% barrel aged for 17 months in French oak (one new, one neutral). Bottled unfinned and unfiltered in February 2017 and cellared underground until release after 77 months.

AGEABILITY: Absolutely decant to get it air within its first three years. Well cellared you should anticipate additional complexity during its first 15 years with a potential 15- to 20-year drinking horizon.

VINEYARDS: Farmed and harvested from our own **St. Dolores Estate** high on Parrett Mtn. in the Chehalem Mtns. AVA, it was our best barrel of Pommard clone from our Road Cut block, counter-balanced by our best barrel of Wadenswil clone from our Two Trees block.
